

Call at least two full working days before you begin excavation

Dial 8-1-1 or 1-800-STAKE-IT (1-800-782-5348)

What & Why?

Blue Staking is the act of identifying and marking utilities in ground or walls, so that they do not pose a risk of injury to workers or a risk of being damaged during penetration, excavation, trenching, or digging activities in building, surface excavations and underground workings.

When?

Anytime ANY surface Penetrated
Any Penetration of any surface greater than 1 inch
Anytime concrete is penetrated at any depth
