

Mine – No Passing Rule – July 15th, 2023

- We've had numerous events in the company recently involving Haul Trucks and Light Vehicles – we need to reduce the risk of interaction
- Only under strict circumstances will passing moving large equipment be permitted, by a Shift Supervisor e.g. Maydays
- Passing of stationary equipment will be permitted using the existing procedure

RULE APPLIES TO:

- Vans, buses, contractors, service trucks, and other light vehicles

NO PASSING OF:

- Haul Trucks (777 and larger), Water Trucks, 988 Loaders and above, or the Lowboy
