

Freeport specific Panel IV information for Project related activity  
This template is completed by the FCX Project Manager (Yellow columns)

<b>ISN ID</b>	<b>Major Project Assigned to (FCX Project Manager will help you code this)</b>	<b>FCX Representative</b>	<b>Prime Contractor working under</b>
Contractor will update as they know who is allocated to the project	Project Manager will Provide this coding so the information is consistent. Example: Tailings Storage Facility Phase IV expansion. SAG Mill rebuild. The Perfect Stockpile	This is the FCX individual that is at a minimum the PM, but could be a level or 2 below (This is a Position Code, not your Payroll number) Site HR can help you with your position code	This must be selected if the individual is working for a Sub contractor under a Prime contractor. If a Prime Contractor is not in the selection send an e-mail to the Contractor Governance <contractorgovernance@FMI.COM> distribution group who will get it added
