

Cyprus Tohono Mine Site
HAZARD RECOGNITION

The following rules and guidelines apply during your visit at Cyprus Tohono mine site, a wholly owned subsidiary of Freeport-McMoRan, Inc. For your personal safety and the safety of others, observe these rules and guidelines at all times.

CONFIDENTIALITY AGREEMENT

While on the Cyprus Tohono mine property, use of photographic or video equipment or similar technology is prohibited without the express prior written consent of Cyprus Tohono. In consideration for the granting of permission to enter the Cyprus Tohono mine property, I hereby agree all knowledge and information acquired or otherwise obtained by me relating to the site's operations may not be used by me for any purpose or divulged to any person other than authorized representatives of Cyprus Tohono without the express prior written consent of Cyprus Tohono.

RELEASE AND INDEMNITY

On behalf of myself, my parent and subsidiary corporations, in consideration for the granting of permission to enter upon the property owned by Freeport-McMoRan, I releases and agrees to hold harmless and indemnify Freeport-McMoRan, its affiliates, officers, employees, and agents, from and against all claims and all injuries, losses, and damages to any person or property arising out of entry onto the company's

operations from the date of this release.

HAZARD RECOGNITION AND AVOIDANCE

- Cyprus Tohono prohibits the transport or use of alcoholic beverages, drugs and narcotics on company property.
- Stay clear of working mobile equipment as the operator may not see you.
- Observe all No Smoking areas.
- Seatbelts must be worn by the operator and passengers while vehicles are in motion.
- A two-way radio with the mine frequency is required to drive in the Mine Division areas.
- Observe traffic regulatory signs and rules at all times.
- Do not walk under suspended loads.
- Be alert for slip, trip and fall hazards.
- Use proper eye protection in areas where cutting and welding work is being performed.
- All vehicles must be chocked and have the park brake set when parked.
- All vehicles are subject to periodic, unannounced inspections at any location on the site.
- Company policy is to arrest and prosecute anyone apprehended for committing theft from the site premises.

Undocumented Aliens (UDAs)

- On occasion UDAs may be encountered on or around the site property
 - If this should occur do not approach UDAs by yourself
 - Instead, immediately report the situation to a Cyprus Tohono employee, and they will follow proper reporting procedures

Animals & Wildlife

- Be aware and on the lookout for snakes, scorpions, spiders, or other dangerous wildlife that may be encountered while on mine site property
- If an animal is encountered, immediately report the location of the animal to a Cyprus Tohono employee, and they will follow proper reporting procedures
- If an animal is found to be injured, deceased, or in danger
 - Do not approach, handle, or remove the animal
 - Note its' location and condition, and report it to a Cyprus Tohono employee

Emergency Situations

- In the event of an emergency situation, a "May-day, May-day" call will be issued across the site radio system
- All employees, visitors, and contractors, are to report to Security Office
- Use of radios, should be limited unless you are directly involved in the emergency

SAFETY SHOWERS

Safety showers and eye wash stations are located throughout the mine site. In the event you are exposed to a hazardous chemical or substance, proceed to the nearest safety shower and flush with water immediately for a minimum of 15 minutes, then seek medical attention.
