MORENCI OPERATIONS

HAZARD RECOGNITION

Together, We Move Mountains

The following rules and guidelines apply during your visit at Morenci Operations. For your personal safety and the safety of others, observe these rules and guidelines at all times.

CONFIDENTIALITY AGREEMENT

While on Morenci Operations property, use of photographic or video equipment or similar technology is prohibited without the express prior written consent of Freeport-McMoRan. In consideration for the granting of permission to enter the Morenci operations property, I hereby agree all knowledge and information acquired or otherwise obtained by me relating to the site's operations may not be used by me for any purpose or divulged to any person other than authorized representatives of Morenci operations without the express prior written consent of Freeport-McMoRan.

RELEASE AND INDEMNITY

On behalf of myself, my parent and subsidiary corporations, in consideration for the granting of permission to enter upon the property owned by Freeport-McMoRan Morenci operations, I release and agree to hold harmless and indemnify Freeport-McMoRan, its affiliates, officers, employees, and agents, from and against all claims and all injuries, losses, and damages to any person or property arising out of entry onto the company's operations from the date of this release.

HAZARD RECOGNITION AND AVOIDANCE

- Freeport-McMoRan prohibits the transport or use of alcoholic beverages, drugs and narcotics on Company property.
- The maximum speed on our property is 35 mph unless otherwise posted. This is strictly enforced and violators will be cited. Repeat violators will lose their driving privileges on this property.
- Headlights must remain on during all vehicle operation while on property, to aid in visibility.
- Seatbelts must be worn by the operator and passengers while vehicles are in motion.
- Observe traffic regulatory signs and rules at all times.
- All company vehicles, entering the Mining Division must be equipped with a Buggy Whip, with an illuminated marker, that is a minimum of 12ft above ground level. In some instances, a vehicle may be escorted
- Observe all No Smoking areas.
- Stay clear of working mobile equipment as the operator may not see you.
- Authorization is required to drive on roads in the Mining Division areas.
- A two-way radio with the mine frequency is required to drive in the Mine Division areas.
- Left-hand traffic is used throughout the Mine Division area.
- Be alert for slip, trip and fall hazards.
- PPE and area/task specific PPE must be worn at all times.
- All vehicles must be chocked and have the park brake set when parked.
- All vehicles are subject to periodic, unannounced inspections at any location on the site.
- Company policy is to arrest and prosecute anyone apprehended for committing theft from the plant premises.

BASIC PERSONAL PROTECTIVE EQUIPMENT – PPE

- Hard hat
- Safety glasses with side shields. Safety glasses must meet the ANSI Z87 standard.
- Hearing protection
- Safety toe boots
- Reflective Safety Vest
- Long pants that extend over the top of boots
- Additional PPE requirements may be required for specific areas and/or tasks. Please work with your FMI Area Contact for area specific PPE requirements.

Railroad Tracks

Please be mindful when traveling throughout the property. Rail crossings are in numerous locations, some without the use of crossing arms. Always listen for the train, and look both ways before crossing.

Lightning Alert System

Lightning notifications are posted at the property entrance gates. Each are equipped with a flashing strobe light to alert personnel of the presence of lightning in the area. Please follow division/area guidelines for specific requirements during alerts. As a best practice, during a Yellow alert, personnel are encouraged to begin preparing for a 'stop work', in the event of a transition to a Red alert, requiring all outside work to stop.

SAFETY SHOWERS

Safety showers and eye wash stations are located throughout Morenci Operations. In the event you are exposed to a hazardous chemical or substance, proceed to the nearest safety shower and flush with water immediately for a minimum of 15 minutes, then seek medical attention.

Emergency Vehicles

In the event of an emergency, routes may be shut down to non-emergency traffic. Please remember to listen to your radio to be aware of any emergency events occurring in your present area.

PHONE NUMBERS

- On Site Emergency: (928) 865-6600
- Main Gate for Non-Emergency: (928) 865-7931
- RW Gate for Non-Emergency: (928) 865-6285
