Asset Recovery and Disposition

Morenci's Asset Recycling and Disposition (AR&D) Program manages all recyclable materials on site, in addition to the sale, transfer and removal of company assets.

*****NO MATERIAL IS TO BE REMOVED FROM SITE BY EMPLOYEE FOR PERSONAL USE*****

Recyclable Material	Company Assets	Asset Sales and Transfer
<ul style="list-style-type: none"> • Scrap Metal • HDPE Pipe • Mill Liners and Pump Parts • Drill Bits, Shovel Cable • Scrap Wood • Used Haul Truck Tires • Used Conveyor Belt • Transformers, Pumps and Electrical Parts 	<ul style="list-style-type: none"> • Departments that no longer need assets and equipment will release assets to AR&D. • AR&D requires documentation (SS07 Form) for the release of assets before taking possession. • Contact AR&D to make an appointment. <u>Do not leave equipment at the yard</u> without an appointment or completed paperwork. • <u>Do not remove items or parts</u> from the AR&D Yard without prior approval from AR&D. 	<ul style="list-style-type: none"> • Unwanted assets are only sold to approved private buyers. • AR&D is not authorized to sell assets or other company materials to FCX employees. • Morenci assets being transferred to other FCX properties must be approved through Accounting. • AR&D requires specific paperwork to authorize asset transfers, and ensures that all equipment being transferred is approved by Management and Accounting. • Contact AR&D early to ensure timely approval of transfer and proper documentation.
